

Video Taped Auditions

**** There should not be any breaks in the videotaping of the auditions (The tape should be made in one sitting. You cannot start videotaping, stop, and begin again.)

**** Please make sure the recordings are made on VHS.

**** There should be nothing seen that would indicate which school the student is from.

**** Place only your school number and instrument on the outside of the videotape and turn into Tiffany De Vries or Casey Kingdon by 9:00 a.m. on the morning of the auditions.

1. Scales:

- A. Must play all scales.
- B. Say the name of each scale before performing it.
- C. NO music stand should be seen in front of student while they are playing.

2. Etudes:

- A. Announce the title of each etude.
- B. Play only the indicated measures.
