

Middle School Band Directors

There are four sites and dates being offered this year for the *SEIBA Junior High Concert Band Festival*. We hope having these date options will make it possible for your band to participate this year regardless of when your spring break is. Our SEIBA Junior High Concert Band Festival is an excellent performance and educational opportunity for your students. Bands have the option of performing for a rating with clinic or as a clinic only. Either way, it is a great experience for you and your students.

Rating Option:

1. Each band will be allowed a maximum performance time of 15 minutes.
2. One of the selections must be a march
3. If you choose to perform only 2 selections, you must have a minimum of 10 minutes actual performance time.
4. The remainder of your 30 minutes will be used as an on stage clinic.

Clinic Only Option:

1. There is no minimum or maximum performance requirement. Directors may perform one selection and use the remainder of the 30 minutes for an on stage clinic, or they may play several selections and exceed the 15 minute limit enforced in the rating option.
2. There is no literature requirement. Bands are not required to perform a march.
